

Informal First Meeting of Atomic Advocates UK and SONE members [Draft 23/05/19]
"Nuclear Energy should replace carbon fuels: How we should spread this message"
Saturday 22 June 2019 2pm

Location: Roy Griffiths Room, Keble College, Oxford OX13PG

Invitees: members of Atomic Advocates UK, Supporters Of Nuclear Energy (SONE),
their friends and well wishers, including teenagers and up.

Note: this is intended to be an occasion to meet, organise, plan and build mutual trust.

Persuading others to engage with Nuclear Power will come later, but soon!

Draft agenda

1. Welcome (Wade Allison)
2. Who are we and what can we offer? Round table mutual introductions (all)
3. Where we are and what is happening: history, science, public perceptions and politics of Nuclear Energy (Wade Allison with lots of Q & A)
4. What skills and effort do we have? (all)
5. What we should do and what resources we need (open discussion)
6. Further meeting arrangements, duties and actions/undertakings (all)

Transport arrangements

- By train to Oxford Main Station, walk/taxi to Keble College
- By car to Oxford Parkway, park (£2 all day) and then take 500 P+R bus to "Keble Road"
- By car to Keble Road, but the meter charges eat your money!

At the Porters' Lodge, Keble College, Tel: 01865 272727, ask the way to Roy Griffiths Room
